

CAPACITY SURVEY

Please complete the following short survey from DCYA which aims to give us an accurate picture of the capacity for childcare provision throughout Ireland. This is a short survey (5 mins max) but the information it provides is extremely valuable for the sector.

Capacity Survey: <https://www.surveymonkey.com/r/JXFCH29>

We understand that you have completed many surveys over the last year and we thank you for your patience in this regard. By completing the surveys you contribute to the gathering of important information that will assist the Department of Children and Youth Affairs in the planning and development of its Early Years funding programmes.

This short survey aims to support continued data collection on the up-to-date situation regarding childcare capacity across the sector.

We would be grateful if you would complete this capacity survey (link above), which should take no longer than 5 minutes, to support continued work in this area.

By completing this survey you are assisting us to get the best and most accurate picture of the capacity for childcare provision in Ireland which will help inform future policy decisions.

Please complete this survey before Friday 16th September 2016.

If you have any queries in relation to this survey please contact DCCC.
